

Scholarship Registration for 12th Grade Students

Since 1993, over 125,000 students and parents have attended College Night, with over \$280,500 in scholarships awarded by local businesses to students attending the event. Scholarships may be used at any accredited university or college.

Random drawings are held throughout the evening to award \$1,000 scholarships to registered 12th grade students in attendance. Only students can register themselves for the scholarship drawing. However, they do need to be present during the drawing to win. See official scholarship rules below.

Scholarship Rules

1. Must be a 12th grade student attending high school. Note: Home school students in county or state qualified programs are eligible.
2. Must be present at the CSRA College Night event to personally register for the drawing. However, the student does not need to be present, during the drawing, to win.
3. Must have a current high school or home school grade point average (GPA) of 2.5 out of 4.0 or equivalent. GPA based on grading system used at the student's school.
4. Only one entry per student is allowed. Multiple entries will disqualify the student.
5. Any disqualification will result in funds remaining in the College Night account and reinvested to create future scholarships.
6. Scholarship winners will be responsible for notifying the College Night Coordinator (Cindy Hewitt, cynthia.hewitt@srs.gov) of any changes prior to award:
 - Name, address and/or phone number changes
 - Changes in attendance of high school
